The reason for us giving you this advice is that if your animal lashed out, and injured someone or damaged someone’s property, and it is established that your animal was out of your control at that time, you may be held responsible or partly responsible for any injury or damage caused, you may end up paying all, or part of any settlement reached.

an offence under Irish law and is liable on summary conviction to result in a fine of up to €3,000.00. All passports must be registered with the name of the current owner.

- **Embryo Transfer:** Where a foal is produced by this method, the dam's passport must bear a declaration dated, stamped, and signed by the Stallion Owner (or accredited practitioner where AI is involved) stating the date on which the dam was last covered (or inseminated) and the name of the covering stallion.
- The owners of Champions and Reserve Champions are invited to submit the animals' passports to the ISA head office where the placing will be endorsed and officially stamped with the seal of the ISA as a permanent record.

T.B

All animals must come from herds, which are not restricted, and the herd & relevant animals must have had a clear test within the previous twelve months. This test must be recorded on the Department's Animal Health Computer System (AHCS). No pre-movement test is required for T.B. However, it is recommended by the Department that a **30 day** pre-movement test for T.B. should apply to all shows.

Keepers who plan to move animals to a Show must obtain a Certificate of Compliance prior to the movement of animals.** No destination should be nominated when the keeper is applying for a Certificate.

At the Show, the Movement Notification section of the Certificate should be completed by the Keeper and the Show Secretary who should clearly indicate the Show Number on the form. Ultimate responsibility for fulfilling this requirement lies with the Show Secretary. Completed forms should be sent to the DVO in the County where the Show is being held within 7 days of the show.

Identification

All consignments of sheep being moved must be accompanied by a completed dispatch document. Individual details of each sheep in the consignment must be recorded. Sheep from non-restricted flocks ONLY can be moved to shows.

Flock Register

All movements of sheep to and from shows must be recorded in the keepers flock register. All sheep must be accompanied by a certification laid down in Directive 91/68/EEC as amended. Organisers are advised to contact their Local District Veterinary Office well in advance of any show where sales may take place to determine the suitability of the show for exports (e.g. premises and sheep status), availability of veterinary staff for export certification and to have the necessary arrangements out in place.

Attendance of sheep from scrapie monitored flocks at shows and sales in 2022.

Shows between 1st May and 31st October

Sheep from Scrapie Monitored Flocks will be permitted to attend agricultural shows taking place between 1st May & 31st October without restriction or separation from other categories of sheep.

For shows taking place before May 1st or after 31st October, sheep from scrapie monitored or probationary flocks must be separated from other sheep as follows:

- a. There must be complete separation of monitored/probationary sheep from other categories of sheep at the show. Ideally, this would mean a separate entrance and exit for each group, separate loading and unloading areas, separate penning areas for each of the two groups.
- b. In locations where all of the above may not be possible, the minimum requirement would be the separate loading and unloading and also of penning areas. The two areas should be separate by a sheep-free alleyway, at least 12 feet wide. If only one show-ring is available, the sheep from the scrapie-monitored flocks must be shown first.

NOTE --- Gazebos used in cattle section area not to be erected if it is windy or if wind is forecast. No helium balloons/children's water or pellet guns sold on grounds.

PLEASE NOTE – THE MULLINGAR AGRICULTURAL SHOW COMMITTEE, ACTING BY ITSELF OR THROUGH ITS AGENTS/OFFICERS, RESERVE THE

Certificates of Compliance can be obtained online from the Animal Identification and Movement (AIM) system through the www.agfood.ie facility or from the Cattle Movement Notification Agency.

When applying for a Certificate of Compliance, keepers should not specify a destination herd.

On the day of the Show, the Certificate of Compliance should be presented to the Show Secretary along with the bovine passport for the animal.

The Keeper & the Show Secretary will then sign the Movement Notification section of the Certificate which will then be sent to the local DVO for recording onto the AIM system
